

Summary of Changes to Master Solutions Agreement and Solutions Terms

We have provided a summary of the most notable changes to the Master Solutions Agreement (MSA) and our Managed Detection and Response and Managed Risk Solutions Terms. This summary is not exhaustive list. To see all of the changes, please read the full Master Solutions Agreement [here](#) or Managed Detection and Response Solutions Terms [here](#) or Managed Risk Solutions Terms [here](#).

The Master Solutions Agreement (MSA) is an agreement between you and Arctic Wolf that governs your use of Arctic Wolf's solutions. It includes, by reference, our Solutions Terms. The updates to the MSA and Solutions Terms will take effect in accordance with the current terms governing your existing subscription. If you continue to use our solutions on or after their effective date, or such other date set forth in your agreement with us, you are agreeing to the updated terms.

Updates:

- We have updated our notice address.
- We have updated our MSA to make the added features and functionalities we have added to our Solutions available to you.
- Our Managed Detection and Response Solutions Terms and our Managed Risk Solution Terms have changed to address the exciting features and functionalities that have been added to these Solutions.
- Throughout the MSA, we have made changes to improve clarity and address grammar, typos, terminology, definitions, and other similar issues.

If you have any questions about the changes we have made to the MSA, please feel free to contact us at legal@arcticwolf.com. Thank you for being part of the Arctic Wolf Pack!
