

Important Updates to our Agreements and Associated Terms

Hello! We have made changes to certain terms related to our products and solutions (“Products”).

Here is a summary of the most notable and material changes to the following documents:

- Aurora Endpoint Supplemental Product Terms located at <https://arcticwolf.com/terms/aurora-supprod-terms/>
- Privacy Notice for Customers located at <https://arcticwolf.com/terms/privacy-notice-for-customers/>
- Processing Details located at <https://arcticwolf.com/terms/processing-details/>
- Processing Technical Measures located at <https://arcticwolf.com/terms/product-technical-measures/>

Aurora Endpoint Supplemental Product Terms Updates:

- We have updated the language to contemplate possible managed service provider plus partner relationships and the partner’s role in the sale and delivery of such Products.
- To the extent needed, we have made changes to align terminology, clarify obligations, and address grammar, typos, cross-reference errors, and other similar issues.

Privacy Notice for Customers Updates:

- We have updated the language to contemplate the data sets processed by Arctic Wolf resulting from its newly acquired product offerings.
- To the extent needed, we have made changes to align terminology, clarify obligations, and address grammar, typos, cross-reference errors, and other similar issues.

Processing Details and Processing Technical Measures Updates:

- We have updated the language to contemplate Arctic Wolf’s newly acquired product offerings.
- To the extent needed, we have made changes to align terminology, clarify obligations, and address grammar, typos, cross-reference errors, and other similar issues.

This is not an exhaustive summary of the changes. To see all the changes, please see our website at <https://arcticwolf.com/terms> for these documents, along with a copy of this Change Summary.

If you have any questions about the changes we have made, please contact us at legal@arcticwolf.com. Thank you for being part of the Arctic Wolf Pack!
